

ATELIER APPLIANCES MATCH IT

The first international event dedicated entirely to the subcontracting and components industry for professional, industrial and consumer electrical appliances.

AN OPPORTUNITY FOR
PEOPLE TO MEET, DISCUSS IDEAS
AND BUSINESS

Why take part in the event?

- Meet International Top Buyers
- Have private and exclusive meetings in meeting lounges with **registered Sellers**
- Join a **rich appointments and workshops' calendar**, focused on trends and transformations that are affecting components and subcontracting's industry for the appliances market
- Be part of an original and unique international overview, dedicated entirely to the **subcontracting and components industry**.
